Voters of Crawford County

Please be advised that at this time, there is federal litigation that we are tracking that may impact which congressional district Crawford County voters will see on their ballot. We expect that the litigation will be resolved by September 28. In the meantime, if you wish to vote the current ballot with the existing congressional district, you may do so. However, if you wish to wait until further notice to be sure that your vote will be counted on the correct congressional district, you may wait until they announce the decision. We apologize for any inconvenience this creates, but unfortunately, it is out of our control. If you have any questions, please contact our office at (573)775-2376.
